## Diamond I.D. Protection Plan™

## CONSUMER OWNED DIAMOND JEWELRY REGISTRATION FORM

DID C 0001350

OFFICIAL

I. Diamond I.D.™ is a U.S. patented (#5,983,231) premium identification, tracking and recovery system that provides a complete networked system that captures, stores and retrieves information that links and cross references your inscribed, certified diamonds and gemstones with its' owner.

The Diamond I.D.™ program provides you with the complete assurance that if your diamond is ever lost or stolen, the information contained in our database can be quickly accessed by police and the insurance company to aid them in their search and recovery efforts.

Further, because of the direct and unique link between the diamond owner and a specific piece of inscribed diamond jewelry, Diamond I.D.™ makes available a one (1) year replacement insurance policy against theft, loss and mysterious disappearance for the diamond jewelry registered with Diamond I.D. Protection Plan™.
